Dear Friends and Parents of Act One Scene 1,

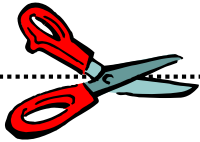

Now in its 40th year, ACT ONE SCENE 1 is still a vital and unique part of the summer scene for boys and girls, grades five through twelve, in our community. On behalf of over 100 youth participants who will be taking center stage this summer, it is necessary to ask for financial support to ease any operational expenses incurred through personal and corporate sponsorships.

This year's Summer Showcase will debut Friday, July 31st with an encore presentation Saturday, August 1st at 7:30 p.m. in the Nelson Arts Building, Brockton High School.

Thank you for your consideration and generosity.

Dear Community Friend,

For thousands of youngsters who have been performing during the past 39 years in Brockton Community Schools ACT ONE-SCENE 1...the magic is their annual midsummer production that culminates their four-week enrichment experience in the performing arts. The end of the program's showcase is always the highlight of the season and is a timely tradition that means fulfillment, fun, and friendship go hand-in-hand, especially when a cast takes its final bow for another successful summer in the region's longest running youth theater program.

Now in its 40th year, ACT ONE SCENE 1 is still a vital and unique part of the summer scene for boys and girls, grades five through twelve, in our community.
